EXECUTIVE ASSESSMENT

Overall Market Outlook

The current procurement landscape reveals a dynamic environment with numerous competitive openings driven by follow-on contracts and recompetes, alongside significant incumbent vulnerabilities due to protests and terminations. Simultaneously, several large programs are experiencing substantial growth, indicating sustained agency investment and potential for future expansion, albeit often with entrenched incumbents.

KEY TAKEAWAYS

- **High Recompete Activity:** A significant number of contracts are entering recompetes or follow-on phases, signaling a robust competitive market for established services.
- **Incumbent Vulnerability:** Multiple stop-work orders and terminations highlight instances where incumbents are failing to meet agency expectations or facing external challenges, creating immediate competitive openings.
- **Strategic Teaming for Growth:** Large funding increases and option exercises indicate healthy, growing programs where teaming with incumbents or monitoring for scope expansion is the most viable entry strategy.

STRATEGIC MARKET THEMES

Competitive Recompets & Follow-Ons

Pipeline Value: \$44.6M | Representative Events: 6

Executive Insight

Agencies are actively seeking new providers for established services, indicating a healthy cycle of competition and a desire for fresh perspectives or improved performance. These opportunities represent direct competitive bids.

Capture Implication

Prioritize direct engagement with agency stakeholders, conduct thorough competitive analysis, and develop compelling proposals that highlight differentiation and value.

Incumbent Disruption & New Entry Points

Pipeline Value: \$37.6M | Representative Events: 4

Executive Insight

Incumbent performance issues, protests, or strategic shifts are creating unexpected openings, allowing new entrants to capture market share where previous contracts have been terminated or suspended.

Capture Implication

Rapidly assess the root causes of incumbent issues, engage with agency decision-makers to understand new requirements, and be prepared to respond quickly to potential re-solicitations or bridge contracts.

PRIORITY CAPTURE OPPORTUNITIES

ACTIVE CAPTURE

Scholarship Support Services Follow-On

HIGH

Executive Snapshot

PIID	Agency	Value	Timeline	Incumbent
1305M426F0042	Department of Commerce	\$2.5M	2027-04-30	Gmg Management Consulting Inc.

Intelligence Summary

Business Event: Program Continuity and Recompete Preparation
Competitive Impact: Imminent Recompete
Program Health: Healthy
Expected Next Event: RFP release for the follow-on contract

A follow-on task order indicates continued need for services, but the competitive meaning suggests the next iteration will be openly competed, creating an opportunity despite incumbent presence.

WATCH ITEMS & INCUMBENT RISK

- ****Incumbent Risk:**** Existing contractor relationship (Gmg Management Consulting Inc.) may influence recompetete strategy.

RECOMMENDED ACTION

Engage with the incumbent, GMG Management Consulting, to explore teaming opportunities or gather competitive intelligence on the upcoming recompetete for scholarship support services.

ACTIVE CAPTURE

Protest-Driven Stop Work Order

HIGH

Executive Snapshot

PIID	Agency	Value	Timeline	Incumbent
SP060026F8381	Department of Defense	\$1.0M	2027-04-26	Scottmadden, Inc.

Intelligence Summary

Business Event: Contract Suspension due to Protest
Competitive Impact: Incumbent Vulnerability, Potential New Award
Program Health: Distressed
Expected Next Event: Protest resolution, potential re-award or new solicitation

A stop-work order due to a protest after award signifies significant incumbent weakness and a potential opening for new entrants.

WATCH ITEMS & INCUMBENT RISK

- ****Incumbent Risk:**** Existing contractor relationship (Scottmadden, Inc.) may influence re-compete strategy.

RECOMMENDED ACTION

Assess the protest details and agency's response to determine if the incumbent's position is permanently weakened, and prepare for a potential re-solicitation or direct award opportunity.

Recompete

HIGH

Executive Snapshot

PIID	Agency	Value	Timeline	Incumbent
1331L525F0226	Department of Commerce	\$1.1M	2027-09-04	Research Triangle Institute

Intelligence Summary

Business Event: Contract Recompete
Competitive Impact: Imminent Recompete
Program Health: Healthy
Expected Next Event: RFP release

Explicitly labeled as a recompete, indicating a clear competitive opportunity.

WATCH ITEMS & INCUMBENT RISK

- ****Incumbent Risk:**** Existing contractor relationship (Research Triangle Institute) may influence recompete strategy.

RECOMMENDED ACTION

Identify key stakeholders within the Department of Commerce and the incumbent's performance to position for the upcoming recompete for community of practice development.

ACTIVE CAPTURE

Real Property and GFEBS Support Recompete

HIGH

Executive Snapshot

PIID	Agency	Value	Timeline	Incumbent
W519TC25C0038	Department of Defense	\$2.4M	2027-07-05	Areli, Inc.

Intelligence Summary

Business Event: Contract Recompete (8(a) Sole Source)
Competitive Impact: Targeted Recompete (8(a) eligible firms)
Program Health: Healthy
Expected Next Event: 8(a) sole source award or limited competition

This is a recompile, but specifically an 8(a) sole source, which limits the competitive field to eligible small businesses.

WATCH ITEMS & INCUMBENT RISK

- ****Incumbent Risk:**** Existing contractor relationship (Areli, Inc.) may influence recompile strategy.

RECOMMENDED ACTION

For 8(a) certified firms, engage with SDDC and the incumbent to understand the scope and requirements for this real property and GFEBS support recompile.

ACTIVE CAPTURE

Contract Termination for Convenience

HIGH

Executive Snapshot

PIID	Agency	Value	Timeline	Incumbent
N0001925F0223	Department of Defense	\$0.0M	2027-12-12	Atkinson Aeronautics & Technology, Inc.

Intelligence Summary

Business Event: Program Discontinuation or Re-evaluation
Competitive Impact: Incumbent Disengagement, Potential New Requirement
Program Health: Distressed
Expected Next Event: New solicitation for similar services or program cancellation

Termination for convenience indicates the agency no longer needs the specific contract, potentially due to changing requirements or dissatisfaction, creating an opening for a new approach.

WATCH ITEMS & INCUMBENT RISK

- ****Incumbent Risk:**** Existing contractor relationship (Atkinson Aeronautics & Technology, Inc.) may influence re-compete strategy.
- ****Scale Risk:**** Opportunity size may fall below preferred prime pursuit profile.

RECOMMENDED ACTION

Investigate the underlying reasons for the termination for convenience to determine if the requirement will re-emerge in a new form or if the agency's needs have shifted.

ACTIVE CAPTURE

Intelligence Summary

Business Event: Program Continuity and Recompete Preparation

Competitive Impact: Imminent Recompete

Program Health: Healthy

Expected Next Event: RFP release for the follow-on contract

A follow-on contract with a competitive opening indicates a clear opportunity to compete for continued services.

WATCH ITEMS & INCUMBENT RISK

- ****Incumbent Risk:**** Existing contractor relationship (Medcentrek Llc) may influence recompetete strategy.
- ****Scale Risk:**** Opportunity size may fall below preferred prime pursuit profile.

RECOMMENDED ACTION

Identify key personnel within CENSECFOR and assess the incumbent's performance to prepare for the upcoming recompetete for procurement analyst support.

ACTIVE CAPTURE

Intelligence Summary

Business Event: Program Continuity and Recompete Preparation

Competitive Impact: Imminent Recompete

Program Health: Healthy

Expected Next Event: RFP release for the follow-on contract

A large-value follow-on contract with a competitive opening presents a substantial opportunity.

WATCH ITEMS & INCUMBENT RISK

- ****Incumbent Risk:**** Existing contractor relationship (Phaneuf Associates Incorporated) may influence recompetete strategy.

RECOMMENDED ACTION

Engage with Department of Transportation stakeholders to understand the future requirements for ASIAs support services and position for the significant upcoming recompetete.

ACTIVE CAPTURE

Global Health Security Staffing Stop Work

HIGH

Executive Snapshot

PIID	Agency	Value	Timeline	Incumbent
19AQMM24F0407	Department of State	\$29.8M	2027-03-31	Nakupuna Solutions, Llc

Intelligence Summary

Business Event: Contract Suspension
Competitive Impact: Incumbent Vulnerability, Potential New Award
Program Health: Distressed
Expected Next Event: Agency decision on contract continuation or re-solicitation

A stop-work order, especially on a large contract, indicates significant issues with the incumbent or the program, creating a potential opening.

WATCH ITEMS & INCUMBENT RISK

- ****Incumbent Risk:**** Existing contractor relationship (Nakupuna Solutions, Llc) may influence recompile strategy.

RECOMMENDED ACTION

Investigate the reasons behind the stop-work order for GHSD staffing support to determine if a new competitive opportunity will arise due to incumbent performance issues or changing agency needs.

ACTIVE CAPTURE

INL IMAC Continuity Follow-On

HIGH

Executive Snapshot

PIID	Agency	Value	Timeline	Incumbent

Intelligence Summary

Business Event: Program Continuity and Recompete Preparation

Competitive Impact: Imminent Recompete

Program Health: Healthy

Expected Next Event: RFP release for the follow-on contract

Exercise of an option year for a follow-on contract indicates continued need and an upcoming competitive opportunity.

WATCH ITEMS & INCUMBENT RISK

- ****Incumbent Risk:**** Existing contractor relationship (Guidehouse Llp) may influence recompetete strategy.

RECOMMENDED ACTION

Validate the scope and requirements for the INL Bureau's IMAC continuity services and begin positioning for the upcoming follow-on recompetete.

ACTIVE CAPTURE

Contract Termination (EO 14398)

HIGH

Executive Snapshot

PIID	Agency	Value	Timeline	Incumbent
75D30124C19186	Department of Health and Human Services	\$6.7M	2027-07-23	Goldbelt Professional Services, Llc

Intelligence Summary

Business Event: Program Discontinuation or Re-evaluation
Competitive Impact: Incumbent Disengagement, Potential New Requirement
Program Health: Distressed
Expected Next Event: New solicitation for similar services or program cancellation

Termination, especially with reference to an Executive Order, suggests a significant shift in agency strategy or policy, creating a potential new opportunity.

WATCH ITEMS & INCUMBENT RISK

- ****Incumbent Risk:**** Existing contractor relationship (Goldbelt Professional Services, Llc) may influence recompete strategy.

RECOMMENDED ACTION

Research the implications of Executive Order 14398 on this program to understand the specific reasons for termination and identify potential new requirements or shifts in agency priorities.

PROGRAM ACTIVITY WATCHLIST

Monitoring internal program movements, funding alignments, and lifecycles.

Program	Why it Matters	Recommended Action
Real Property and GFEBS Support Services Targeted Recompete (8(a) Sole Source)	This is a direct recompile opportunity, but restricted to 8(a) firms, indicating a specific market segment to target.	Monitor for RFP release and confirm 8(a) eligibility requirements.
Internal ASIAS Support Services Large-Value Follow-On Recompete	A significant competitive opening (\$32M+) for critical agency support services.	Actively track pre-solicitation activities and engage with DOT program offices.
Global Health Security Staffing Support Stop Work Order (Incumbent Weakness)	A large contract (\$29M+) with incumbent issues creates an immediate, high-value competitive opening.	Investigate protest details and agency's path forward; prepare for potential rapid re-solicitation.
Appliance Standards Analysis and Regulatory Support Significant Program Growth (\$105M+ funding increase)	Indicates a major, growing program with sustained agency investment, offering long-term teaming or future competitive opportunities.	Engage with DOE program managers to understand future requirements and identify potential teaming partners.

APPENDIX: KNOWN INTELLIGENCE GAPS

The following data vectors require immediate human analyst validation:

- Protest Details and Resolution Status: For contracts SP060026F8381 and 19AQMM24F0407, understanding the specific grounds of the protest and the current status of the resolution process is critical to determine the likelihood and timing of a re-solicitation.
- Reasons for Termination for Convenience: For N0001925F0223 and 75D30124C19186, investigating the specific agency drivers behind the "termination for convenience" (e.g., budget shifts, change in mission, dissatisfaction with service type) is essential to predict if the requirement will re-emerge or be absorbed elsewhere.
- 8(a) Eligibility and Incumbent Status: For W519TC25C0038, confirming the incumbent's 8(a) status and the specific criteria for the 8(a) sole source award is crucial for determining competitive eligibility and strategy.
- Incumbent Performance and Relationship Strength: For all "Teaming Candidate" opportunities (Option Exercises, Funding Increases), a deeper dive into incumbent performance, their relationship with the agency, and potential pain points is needed to identify viable teaming angles.
